

## Miss Wayne County Legacy Award

---

Dear Miss Wayne County Contestant,

We are pleased to inform you that our 2nd annual Legacy Award scholarship will be offered this year and will be sponsored by the former Miss Wayne County titleholders. The Miss Wayne County Legacy Award is a tribute to the 25 young women who have worn the Miss Wayne County crown. This award is designed to commemorate our legacy, encourage leadership within our “sisterhood,” as well as improve scholarship opportunities for the young women of Wayne County. Applying for this award is optional. Contestants interested in applying for this award will be required to write a paper answering the questions below, the papers will be given to a pre-selected panel of judges (these are **not** the same that will be interviewing you on pageant day):

- Why is the Miss Wayne County Scholarship Program relevant and important today?
- So far, how has the Miss Wayne County Scholarship Program impacted my life?
- What will my legacy be should I be crowned the next Miss Wayne County?

Each of you has something very special to share in your paper—be creative, convincing, and most importantly be you! The winner and scholarship amount will be announced on-stage the night of the Pageant.

Applying for this award is optional, not mandatory. However, we do encourage all Contestants to apply.

Best wishes,

*The former Miss Wayne County Titleholders*
